Hey Ed,

Sorry that I haven't been in touch (b) (6), but I'm now back in Atlanta and will be getting back to work on the approval documents.

-Richie

Subject: RE: DeLisle Plant (Chemours) visit Tuesday

Hello,

Sorry, yesterday was President's Day, so I just got this email. The room that we were going to use is reserved from 9-10, but we are looking into possibly making it available. Starting at 9 would be fine by us if possible.

You will have to go through security on the first floor and obtain a Visitor's Pass. From there, you will go to the 9th floor to have your pictures taken. After that is done, give me a call at (b) (6) or 404-562-8067 and I'll come down to bring you guys up.

See you soon,
Richie

Subject: DeLisle Plant (Chemours) visit Tuesday

Richard,

I meant to send you this e-mail earlier.

Can you start the meeting at 9 am ET on Tuesday vs. 10 am ET.

Please let me know.

We would prefer to start at 9 am, that way the meeting will be over at noon at the latest.

Thanks,

Ed Ramos

(b) (6). I got the ball rolling on obtaining signatures before leaving, but with all the backlogged busywork on everyone's desks right now, it's hard to say where that stuff is at the moment. I'll figure out what's going on and get back with you.

Take care,
Richie

Subject: Greetings

Hi Richard.

A little late for happy new year.

I haven't heard from you regarding going to public comment on the exemption.

I'm wondering if you are in the office or furloughed.

At your convenience, please give me a call or e-mail me an update of the timetable for going to public notice on our exemption reissuance.

Thanks,

Ed Ramos

Hey Ed,

Just a quick update. I was scheduled to brief the Division Director about your LBE tomorrow (Friday), however, due to issues that have accumulated over the last month and uncertainty about how things are gonna go moving forward, the briefing was cancelled. We've basically been told to put anything requiring the Director's signature on hold for the time being. I'll let you know when the ball gets rolling again.

Sorry for the delays,
Richie

Hello,

(b) (6) got the ball rolling on obtaining signatures before leaving, but with all the backlogged busywork on everyone's desks right now, it's hard to say where that stuff is at the moment. I'll figure out what's going on and get back with you.

Take care,

demonstration using an 8-order reduction, but 9-order was historically used and made the demonstration more conservative. I think this will resolve the issue.

Thanks!

Subject: Documents for review

Hey Ed,

I've attached drafts of the Reissuance Approval Letter, Fact Sheet, and Public Notice. I thought it would be good if you and/or your people could go through these documents and make sure that I haven't misrepresented anything from your perspective. I included some comments in the Fact Sheet that refer to some specific things that I wanted to bring to your attention.
